KYOTO TANTAN Long Ride – Bicycle Inspection Certificate

The purpose of this Inspection Certificate is to prevent defects that could cause an accident by having each participant have his or her bicycle inspected at a sporting bicycle shop near him or her prior to participation in the event. Another purpose of this Certificate is to inform each participant of the importance of regular bicycle inspections.

Neither the organizer of this event nor the bicycle shop that conducts an inspection or maintenance work shall be held liable whatsoever for any accident that occurs.
